League Starts May 3rd, 2012

Welcome to the PBA Experience!

By combining the power of the PBA and the United States Bowling Congress Sport Bowling program, the USBC PBA Experience has been formed to give you a competitive on-lane adventure like no other. You will be facing the exact lane conditions used on the Denny's PBA Tour.

The oil patterns that we will be using this summer are listed on the right. The four major championship oil patterns will be used during the position rounds only. We have the Kegel Kustodian Walker Sport Edition, so this will guarantee that the oil pattern is done correctly and in compliance.

This will be a sanctioned USBC league, so our league bowlers will be recognized nationally against other sanctioned sport leagues across the Nation. AMF is supporting our league by cutting the lineage from \$10 to \$7.50 and adding \$500 towards our prize fund!

We will have a "demo" day and 1st meeting on April 26th. The house will lay down some of the oil patterns, so bowlers that will be joining the league, can try them out. Jay's Pro Shop will be sponsoring the league and will give prizes for bowlers who achieve honor scores.

League will be held on Thursday's at 7:00pm
